COVID-19 TESTING

Coconino County Health and Human Services (CCHHS) is pleased to partner with Arizona State University, Arizona Department of Health Services and Northern Arizona University to offer free saliva-based diagnostic COVID-19 testing.

Testing is available at Fort Tuthill County Park, NAU Union Fieldhouse and at other locations throughout Arizona. Each person who wants to be tested is asked to pre-register. You may select your testing location when you register.

- To understand the process, **review the FAQs**.
- **Visit the ASU testing portal to create an account and schedule a test.**
  - If you do not already have an account, select "**Sign up for an account**" below the login/password boxes. An email address is required. NAU students and faculty are asked to use their NAU email account when registering.
- Enter Agency Code when prompted. **SALIVATEST**
- Select your testing location. You will receive a QR code when you sign up for a test. You must bring this code to the test site.
- You will be notified by email or text when results are ready.
- **If you forget your password:** See info in the FAQs about how to reset your password in the ASU Portal.

Children under 5 years old cannot receive saliva tests. Nasopharyngeal testing will continue to be available for individuals under the required age and those who prefer the swab test.

Those seeking COVID-19 saliva testing are asked to abstain from food or drink for 30 minutes prior to the test.

Visit LINK for additional site locations, times and information.

Register here. Testing code is SALIVATEST
